Notes from tonight's meeting:

In attendance representing the Westwood Hills Planning Commission:

Chris Fine

Eric Laprade

Sollie Floria

Norman Friedman

Lyle Miller who Chaired the meeting

No one else was present for this meeting.

The meeting was called to order at 7pm central on March 17, 2022 by the Chair.

The only agenda item was the Building Permit Application for Norman Friedman at [2117 W 49th Terrace, Westwood Hills, KS 66205](#) for a kitchen remodel. As a member of the WWH Planning Commission Norman recused himself from the vote and presented his project.

Norm had the Permit Application with neighbor signature. He had the approval letter from SHPO. He reviewed the design drawings without comment.

A motion to approve was made by Eric. A second was made by Chris. The vote was 4-0 approving the application.

A motion was made to adjourn it was second and the meeting was complete at 7:20pm.

Happy St. Pats Day!

Trust everyone has a ZOOM link. See you at 7pm except for Bryce.

We need everyone else to have a vote on Norm's kitchen remodel.

We have reviewed this project, he has all the paperwork in order, this is the only agenda item.

If you need anything just let me know.

Thanks!
